Goal 3

## 8 Step Progress Towards Implementation

**Currently:**

We have 1 administrator and several staff members trained formally in the 8 Step process. From this group, we formed an 8 Step Committee.

All staff received a 2 hour presentation about 8 Step during our weeklong summer professional development.

Students have been placed into one of three groups for a SUCCESS period – remediation, maintenance, or enrichment as of 9/25/2013, based upon current data.

SUCCESS periods are focusing on student learning deficits, using materials and resources available on IPS Online that have been developed by district and building staff to target ELA and Math high impact standards.
